7 Further announcements	0		0	0
8 Works by other authors	0		0	0
Citations for edited works			0	0
Citations in dissertations, other types			<u>2</u>	<u>2</u>
All publications and all their citations	<u>4</u>		<u>6</u>	<u>6</u>

Notes:

1 Citations are counted without dissertations and other types of citations. The summary of dissertations and other types of citations can be found at the end of the table.

2 As an editor, they do not participate in the book citations

3 Only scientific abstracts

4 All other unreported scientific works (except works or protected forms) where the author is: author, editor, critical or source edition creator.

5 Counted without dissertations and other types of citations. The value of the row is based on the citation data of the "All scientific publications" row.

6 All "Public interest" or "Unclassified" type publications where the author is not an author of other authorship.

7 Including all works that have not been counted in other, named rows of the table and are not of other authorship.

8 All works of other authorship where the author is not: author, editor, critical or source edition creator.
